## UDA Banding Changes (England Only)

This job aid is aimed at all clinical team members and explains the changes to the UDA bandings introduced by the NHS on 25<sup>th</sup> November 2022 and included in version 8.1.15 of the R4+ practice management software.

### Band 2 Changes

With effect from 25<sup>th</sup> November 2022, the current Band 2 category will be subdivided into Band 2a, Band 2b and Band 2c. For any new course of treatment that is started on or after 25<sup>th</sup> November 2022, the new bandings will be automatically applied to that course of treatment provided that version 8.1.15, or later has been installed.

- Band 2b will be applied for courses of treatment involving either Non-Molar Endodontics to permanent teeth or a combined total of three or more teeth requiring permanent fillings or extractions. For Band 2b courses, 5 UDAs will be awarded.
