

2018 CDT Codes Installation Guide

Installing CDT 2018 Codes to the CS SoftDent Software

This job aid contains instructions for using the CDT 2018 Update Utility to update the CDT codes in CS SoftDent practice management software and is intended for users running the following versions:

- **CS SoftDent v14.0.3 and higher** (**Note:** If you are using a version of SoftDent prior to v14.0.3, you must upgrade or add the codes manually.)
- **CS SoftDent v16**

To install the new 2018 CDT codes:

- 1 Close SoftDent on all machines.
- 2 **On the server**, go to www.carestreamdental.com, and log in to the Customer Portal.
- 3 Select the link for CDT codes. A list of available utilities is displayed by product.
- 4 Select the CS SoftDent Update Utility.

You are prompted to open or save the **SetupCDTCodes.zip** file.

- 5 Click **Save**, and save the file to a temporary folder.

NOTE: If you are using a browser other than Internet Explorer, the file might download automatically. Click **Yes**, **Run**, or **Allow** to all Windows security warnings.

- 6 Navigate to the temporary folder and unzip the file.
- 7 Double-click the **SetupCDTCodes.exe** file.
- 8 At the first prompt, click **Run** or **Yes**.
- 9 Read and accept the **End User License Agreement**. A message is displayed when the codes have been installed successfully.

When the CDT 2018 codes are installed, the following things occur:

- Eighteen new codes are added to the database.
- Sixteen codes are revised.
- Three codes are removed.

If you have issues during the CDT code set installation, contact a Carestream Dental Support representative at 866.435.7473 Option 1.
