

# WHAT'S NEW:

## The 2017 Global Oral Health Summit Is Quickly Approaching

It's almost time for the 2017 Global Oral Health Summit—don't miss your last chance to register! Held in sunny Orlando, Fla., this year's event offers a number of networking and educational opportunities that you don't want to miss!

- Different learning levels for beginners/entry level, intermediate, and advanced CS WinOMS users
- No pre-registration required for classes
- Your questions answered by WinOMS support

**Register today and save \$400 on your registration! Just use the discount code LevelUp.**

## NEW EMR Elite Module Improves Your Access to Patient Data

- Spend less time documenting patient appointments and more time optimizing patient care
- Easily track primary medical and surgical history and medications
- Access images instantly, so you can share and discuss them with patients

## CS Boost Gives You Anytime Access to Patient Data

If you are a WinOMS Cloud user, remember to use CS Boost, a mobile and web-based application that allows you to view schedules of your different locations and patient information from any location with an internet or 4G data connection. If you haven't enabled CS Boost in your WinOMS software, check out the quick-and-easy way here:

## 2018 CDT Codes

Carestream Dental has licensed the 2018 CDT codes from the ADA on your behalf. The 2018 CDT codes are available as a downloadable utility on the customer portal for all WinOMS customers who are on a support contract. You will also receive the new codes in the WinOMS v9.1 update available later this month.
